Here's what other business owners said about attending the Summit:

“By far, this was the best planned and implemented seminar I have ever attended! Coming was a valuable use of my time each of the 3 days. I am very impressed with the enthusiasm, knowledge, teaching skills and passion of the speakers. **I learned way more than I had expected!**”

(Kenneth V., Waterville, ME)

“Knowledge and education filled the event. The content provided in the session will be helpful for all the individuals, entrepreneurs and families who want to get control over their wealth and sleep soundly at night.”

(Robert Z., Cornelius, NC)

“These past 3 days have flown by and overstuffed my poor brain! You had so many golden nuggets in the material you provided and I can apply immediately. My chat with an attorney resulted in a lengthy to-do list to fix our existing entities. All the presenters were simply wonderful, lots of fun, and extremely informative.”

(Krystine R., Coventry, CT)

“The summit was incredibly helpful in learning ways to place assets and protect them from lawsuits, probate and taxes. **I will be implementing what I learned over the next few months.**”
