WOODBIDGE, Ontario, June 3, 2019 (Newswire.com) -

Graduating from college and becoming a father are two huge milestones in a person's life, so these events should be celebrated accordingly. In lieu of a staid button-down shirt or a mug, why not choose something a little more luxurious?

For those stumped on finding [the perfect gift](#) for a graduate or a dad in their lives, look no further than the showcases of Damiani Jewellers.

[Raymond Weil](#), a Swiss watchmaker who takes design inspiration from music, offers both dressy and sporty models for different occasions and lifestyles. Help a college graduate enter the workforce in style with a timepiece from the Freelancer collection, or surprise Dad with a stylish Maestro watch with leather straps. The Woodbridge-based retailer also carries special edition watches dedicated to the legacy of famous artists like David Bowie and the Beatles for celebrants with a love for music.

If Dad is a fan of luxury leather goods and accessories, [Montblanc](#) may be the perfect brand to look into. At Damiani Jewellers, browse their selection of leather briefcases and a wide variety of sophisticated pens, which range from classic ballpoint and fountain pens to rollerball and even fineliner options. The ambitious university graduate will surely appreciate a gift from Montblanc as well; the brand's business card holders impart just the right amount of class and prudence at any networking event.

[William Henry](#) is an American brand who specializes in designing unique statement accessories for men. Bracelets, cufflinks, and pocket knives are made with materials like Damascus steel and sterling silver as well as out-of-the-ordinary elements like dinosaur bone and apple coral. A gift from this designer would be perfect for a Dad or grad with an affinity for the great outdoors.
