"We are extremely excited to be in Hialeah Gardens to better serve the Hialeah and Miami-Dade markets. Logistically, the Miami area is a very tough market as the traffic congestion can make planning on time delivery and pickup very problematic. Our new facility in Hialeah Gardens will help to reduce travel times and better serve our Miami-Dade customers. Our lead rental coordinator Allan Montoya, originally with Poe's Rental, has served the Hialeah market for over 20 years. From small electric tools to 150' booms, Hialeah Gardens is ready to become the first call for every Miami contractor!" *John Durante, Owner*

"We are very excited about the opening of our Hialeah Gardens location. We are looking forward to being the most valuable resource around for contractors as well as the local businesses and homeowners in Dade and Broward counties. Stop by and see why we are becoming the leader in equipment rental in South Florida." *Chris Latham, Operations Manager*

Durante's Hialeah Gardens location offers service for both customer walk-ins as well as flatbed and tractor trailer delivery service. Store hours are 7am to 5pm Monday through Friday.
