

## MISSION

We're here to empower content creators who love what they do. With access to an incredible community to interact with viewers around the world. Pay-it-forward and support talented people right on PocketLIVE. We are shaking up the Live-Streaming game and making content with heart.

We're here to help people connect around the world and share their passions online.

## HOT NEW APP!

## ABOUT US

PocketLIVE is a Live Broadcasting platform which believes mobile Live-Streaming is the next evolution of social media. We set out to be the leader in this movement.

PocketLIVE connects broadcasters with a community of fans—rewarding them with the support they deserve.
