**Angie Busse Grogan Harmon** Received a sample of this in the mail and my 14 year old daughter has been using it regularly with totally amazing results. In just 2-3 uses we could see a great improvement in her skin. I will definitely be buying some of this after the holidays

I LOVE Probiotic Action! I received my sample a few weeks ago and within 3-4 days of using it, my acne cleared up completely. Ever since, my skin has improved in texture and continues to stay clear of blemishes. Great stuff! I will continue to use!
