## Huntington Fine Jewelers Encourages Customers to Bring in Broken Jewelry for Spring Break Repair Sale

Shoppers who bring in jewelry in need of repair during the month of April will receive 10% off their service. The retailer has also announced their annual trunk show, which will take place next week.

OKLAHOMA, April 19, 2019 (NewsWire.com) - Celebrate the arrival of spring this month with two events that Huntington Fine Jewelers is hosting for their customers in the greater Oklahoma City area.

All month long they will be holding their Spring Break Repair Sale at both their Oklahoma City and Shawnee showrooms. Anyone who brings in a jewelry item in need of [repair](#) will receive 10% off the service.

Since spring cleaning will likely be happening for most people, now's the time to do some jewelry spring cleaning as well. If there are any items that need mending, bring them in this month so they're ready to wear all spring and summer long.

In addition to basic services like jewelry cleaning, ring resizing, refinishing and polishing, Huntington Fine Jewelers also offers crown repairs and retipping, pearl restringing, and jewelry restoration. Repairing vintage and antique jewelry pieces is a specialty for their jewelers, so they are qualified to handle heirloom pieces that other jewelers cannot.

Additionally, on Thursday, April 25th and Friday, April 26th Huntington Fine Jewelers will also host their annual trunk show at their Oklahoma City location. During this two-day event, shoppers can save 50% off on thousands of trunk show pieces while they enjoy complimentary hors d'oeuvres and desserts.

RSVPs to these events are not required, but they are highly recommended to ensure that each person who booked an appointment gets dedicated time with one of Huntington's experienced jewelry specialists. Those who schedule an appointment for the trunk show will also receive a free diamond cut silver chain and a chance to win a \$1,000 shopping spree at the retailer!
