

# PREMIUM RECHECK

## ADDITIONAL CUSTOMER BENEFITS

### Additional Searches.

In addition to the “Annual Delinquent Audit” and “Delinquent Recheck”, two extra delinquent searches will be provided on delinquent parcels (timing shown above).

### Notifications.

Notifications are processed for each taxing agency individually, ensuring you have the most up-to-date information as soon as it is available.

### System Capabilities.

Info-Exchange is updated after each search, enabling the full use of the platform’s reporting and letter capabilities.

# HOW CAN INFO-PRO'S PREMIUM RECHECK HELP YOUR ORGANIZATION?

## BENEFITS

## PREMIUM RECHECK

Improve efficiency by reducing the need to perform in-house delinquent property tax searches

Improve audit process with regulators by having an automated and documented process for managing your most "at-risk" loans

Improve the portfolio review process by sending frequent delinquent status updates to your loan officers

Give employees more time to focus on customer related issues, rather than performing "non-value add" work

Reduce or eliminate the need to train employees on how to search delinquent property taxes
